In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

Such notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the Clerk of the Senate, or the Accountant of the House of Commons (as the case may be) a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

The fee payable on any Private Bill is paid only in the House in which it originates.

No petition for a Private Bill is received by either House after the first ten days of the Session.

EDOUARD J. LANGEVIN,

Clerk of the Senate.

JOHN GEORGE BOURINOT,

Clerk of the Commons.

And further, with respect to the House of Commons, it is ordered, under Resolution of 20th April, 1883, that—

principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof, in which the *General Act* is proposed to be departed from;—Bills which are not framed in accordance with this *Rule* shall be re-cast by the promoters, and reprinted at their expense, before any Committee passes upon the *Clauses*."

72. Every applicant for a Bill of Divorce is required to give notice of his intention so to do, and to specify from whom and for what cause, by advertisements, during six months, in the *Canada Gazette*, and in two newspapers published in the District, in Quebec and Manitoba, or in the County, or Union of Counties in the other Provinces where such applicant usually resided at the time of the separation, or if the requisite number of papers cannot be found therein, then in the adjoining District, or County, or Union of Counties.

The notice for the Provinces of Quebec and Manitoba is to be published in the English and French languages.

73. A copy of the notice, in writing, is to be served at the instance of the applicant, upon the person from whom the divorce is sought, if the residence of such person can be ascertained; and proof on declaration, under the Act passed in the thirty-seventh year of Her Majesty's reign, intituled "An Act for the suppression of voluntary and extra Judicial Oaths," of such service, or of the attempts made to effect it, to the satisfaction of the Senate, is to be adduced before the Senate on the reading of the petition.

GOLD COMMISSIONER'S NOTICE.

F. SOUES,

BY-LAW No. 15.

A By-Law to provide for the Construction of a Public Wharf at the foot of Carroll Street.

WHEREAS by resolution it was resolved that the northern extremity of Carroll street in this City should be used as a wharf for the use of the Fire Engine, and instructions were given to proceed with the construction of same at once, and work was begun accordingly.

And whereas afterwards David Oppenheimer, of this City, gentleman, agreed to proceed with the construction of said wharf, at his own expense, on condition that he should be allowed to pile and bridge the whole of the northern extremity of said Carroll street north of high water mark, or so much thereof as he might find necessary, and have the privilege of using same as a public wharf, and as an approach to a public wharf, which he proposes to erect on the foreshore of his own property.

And whereas, by resolution of this Council dated the 28th of July, A. D. 1886, it was resolved that such permission should be given to said David Oppenheimer on the above conditions, and on the further condition that the City might, on paying to said David Oppenheimer the fair value of the work done by him, repurchase same from him after two years.

And whereas it is necessary that the expropriation of such portion of Carroll street for the purposes aforesaid should be confirmed by By-Law.

The Mayor and Council of the City of Vancouver in Council assembled, enact as follows:—

1. That permission be and is hereby given to said David Oppenheimer, his heirs and assigns, to construct and maintain upon that portion of Carroll street in said City of Vancouver, north of high water mark (as far as such permission can be given by this Corporation), a public wharf, which said David Oppenheimer may construct along the foreshore of his property in this City, on condition that said David Oppenheimer, his heirs and assigns, shall build, erect, and maintain same at his or their own costs and expense, and that he or they shall also build, construct, and maintain said wharf, or a part thereof, in such a manner as in the opinion of the City Engineer shall be suitable and convenient at all times for the use of the Fire Engine and the Fire Department of the City, so that the Fire Engine may be used on said wharf at any stage of the tide; and on the further condition that said David Oppenheimer, his heirs and assigns, shall, after two years from December 31st, 1886, at the request of the Corporation of the City of Vancouver, and upon payment by said Corporation to him or them of the fair value of the wharf to be so constructed by him or them, reconvey to the said Corporation all his right, title and interest in said wharf, and in said portion of Carroll street.

Done and passed in open Council on the fifteenth day of October, A.D. 1886.

[L. S.] M. A. MACLEAN, Mayor.

THOS. F. MCGUIGAN, City Clerk.

BY-LAW NO. 16.

To enable the Corporation of the City of Vancouver to raise the Sum of Seven Thousand Three Hundred Dollars for the purpose herein set forth.

WHEREAS two-thirds of the owners of real property on Carroll Street, between Burrard Inlet and False Creek, in the City of Vancouver, representing one-half in value of said property, have petitioned this Council to make certain improvements in said petition set forth in that portion of Carroll Street above mentioned, and to provide funds for such improvements, to be repaid by a special rate to be levied on the real property immediately benefitted by said improvements; such special rate to be sufficient to include the interest on said funds so provided, and a sinking fund for their re-payment in ten years from the date of the debentures hereinafter mentioned.

And whereas, in accordance with the prayer of said petition, enquiries have been made to ascertain what real property will be immediately benefitted by said improvements, and the proportions in which the assessments to defray the costs thereof are to be made on the various portions of real property to be so benefitted.

And whereas said property to be so benefitted has been ascertained and determined to be Lots numbers 1 and 15 in Block 2, in the official survey of the townsite of Granville; Lots numbers 1 and 17 in Block 3,

in said survey; 267.4 feet between Hastings and Pender, on said Carroll Street, in subdivision of 541, and 375 feet between Pender Street and Royal City Planing Mills property, in said survey; and 80 feet between C. P. R. property and False Creek, in said survey; Lot 1, Block 1, in the western subdivision of Lot 196; Lots 23, 24, 25, 26, 27 and 28 in Block 7, in said subdivision; Lots 1 and 34 in Block 8, in said subdivision; Lots 1 and 34 in Block 13, in said subdivision, and Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 14 in Block 14, in said sub-division.

And whereas, the total amount of the debt which this By-Law is intended to create, is seven thousand three hundred dollars, and the total amount required to be raised annually for ten years for paying the debt and interest under this By-Law is eleven hundred and seventy-nine dollars and ninety-one cents, and the value of the whole real property rateable under this By-Law, as ascertained and finally determined as aforesaid, is forty-five thousand one hundred dollars without improvements, and the annual rate per foot frontage for paying interest and creating a yearly sinking fund for the payment of the principal of the debt is as set forth in the third section hereof.

And whereas the debt hereby created is made on the security of the special rate settled by this By-Law, and on that security only.
